GET BACK TO SCHOOL READY

Textbooks and Course Lists

Your child's 2020-21 course list and schedule are now available are now available in the myGulliver portal by selecting "Classes/Reports" and clicking on "Current Class Schedules."

In light of challenges with the timely delivery of digital and print books in past years as well as COVID-19 related supply chain concerns, Gulliver Prep has switched book distributors to TextbookHub, as well as increased our breadth of digital textbooks.

The deadline to purchase books is August 12. Beginning August 17, each student's digital books will be accessible and preloaded on TextbooksHub's Student Bookshelf at gps.textbookhub.com or by clicking on the button. Please refer to the August 5 email communication from your child's principal for further details.

Mandatory Health Forms

Even as we begin the school year with remote learning, it is critical that all health forms are submitted. If these requirements are not met, your child will not be permitted to return to campus when we resume in-person learning.

Once you are logged on to myGulliver, click the "Health Forms" button. You should have started receiving reminder emails from Magnus Health notifying you that you must take action with your online Student Medical Record (SMR). This email will list any incomplete requirements or any existing requirements that will expire and need to be updated. Emails are sent on a weekly basis and if you have an incomplete or soon-to-expire existing requirement, you will receive reminder emails to ensure health information compliance. When you log in to your SMR, any action needed will be marked with a "To Do" flag.
