Middle School Yearbook Earns All-Florida Honors

Earlier this month, the 2019-20 Middle School yearbook, "EPIC," earned an All-Florida Award, as awarded by the Florida Scholastic Press Association. Tutoring at no cost

Juan "JP" Cortes '21 and siblings Gonzalo and Maria were recently featured in ***The Miami Herald*** as they found a way to help other students during the COVID-19 pandemic. The brothers and sister have created a free tutoring website for use during the new school year and its virtual environment. Any student who needs help can book a tutor, or students can become tutors to help others. Resources include one-on-one time with a teacher or even a face-to-face conversation with a classmate who understands the subject better. To learn more, click on the button.

Alumni Spotlight: Sarah Davidoff '88

Fare to Remember, a catering company owned by Sarah Davidoff '88, has been sending food to Jackson South to feed busy frontline workers. Once Sarah and her team learned about the process and time it took hospital staff to take off all their protective gear and clean up so they could run to get something to eat, they were set on finding a solution. Fare to Remember began delivering food straight to their floors, allowing workers to eat comfortably without having to rush to the cafeteria. So far, they have provided more than 500 healthy meals. If you are interested in joining in the company's efforts, click on the button.

Mandatory Health Forms

Even as we begin the school year with remote learning, it is critical that all health forms are submitted. If these requirements are not met, your child will not be permitted to return to campus when we resume in-person learning. Once you are logged on to myGulliver, click the "Magnus Health Forms" button. When you log in to your Student Medical Record, any action needed will be marked with a "To Do" flag.
